

GOD: FINANCIAL REDEEMER!

I previously had a 2017 Corvette Stingray, 3LT and had to sell it due to financial challenges. God replaced it in 2022 with a 2022 Corvette Stringray 3LT Z51 (more features). This vehicle was not financed as before, God paid cash, debt free.

THE DESIRES OF MY HEART

I had been looking for my dream car, a Porsche Panamera, for a while. On March first, I found it online at a dealership located in Maryland. On March 9th, 2020 I purchased a Brand New 2020 Mercedes Benz GLE 350 for my wife. Two days later, she encouraged me to drive to Maryland to purchase my dream car. The Lord showed me that because I blessed my wife first, he then gave me the desires of my heart. I came home March 11th, 2020 with my dream car!

God did it!!!

WHY NOT YOU?

We had a 2016 White BMW 535, I took it to get serviced and the dealership offered to buy my car. I said “No thank you, I am not shopping.” BUT, when I was leaving I saw this 2021 740xi Bernina grey amber effect metallic on the lot. I screamed out that's my next car.

We parked and walked over to it and the salesman said, “Do you want to drive it ?”and I said, “No, because I don't want to like it.” When I went home that night all I heard was Bishops voice, “Why not you? Why not now?” We went back the next day and we test drove it. We drove it off the lot that day.
